Contract

In registering for a YPPC summer session, I understand that I must be at all performances and production week rehearsals during this session, and at all other classes and rehearsals unless excused by the director. In case of illness or if an emergency arises, I will attempt to contact the director before class. I understand that I must remain in the designated class/rehearsal area and support spaces during class hours (including breaks) unless accompanied by a teacher or other responsible adult, and that possession or use of any illegal substances in the Durham Arts Council building would be grounds for immediate dismissal from the program. I also understand the need to take care of our working and performing space, especially before and after a production and agree to help in whatever simple maintenance tasks may be necessary. Most of all, I will respect the needs of other students, directors, teachers, Durham Arts Council staff and users of the building and in return, I will expect them to respect my needs as well.
